CHARGING PARTY'S MOTION FOR EXTENSION OF TIME TO FILE CROSS EXCEPTIONS AND/OR RESPOND TO EXCEPTIONS

COMES NOW Charging Party UAW and pursuant to Sections 102.46 and 102.47 of the NLRB's Rules and Regulations seeks a second extension of time in which to file cross exceptions and/or respond to Respondent's exceptions to the decision of the Administrative Law Judge. In support of its motion, UAW shows the following:

- 1. On February 15, 2012 the ALJ's decision was issued and the case was transferred to the Board. On March 16, the UAW moved for an extension of time in which to file cross exceptions and respond to NTN's exceptions. The Board granted that motion, setting April 18, 2012 as the new deadline for the UAW to file exceptions and/or its response.
- 2. The parties to this case, pursuant to an order of the D.C. Circuit Court of Appeals issued in NTN Bower v. NLRB, 11-1187, et al. (D.C. Cir.), have made progress toward a resolution of their dispute and have continued to engage in settlement discussions towards a final resolution of all pending matters involving the parties.
- 3. To facilitate the ongoing settlement discussions between the parties with an eye toward resolving this case and all other matters pending between the UAW and NTN Bower, Charging Party UAW requests an extension of 14 days (through and including May 2, 2012) in

which to file cross exceptions and/or a response to Respondent's exceptions. Counsel for the General Counsel and the Respondent have authorized the undersigned to represent that neither object to the UAW's request.

Based on the reasons stated above, Charging Party UAW respectfully requests that its motion for an extension of time is due to be granted, and that the Board issue an appropriate order extending the date cross exceptions and/or a response to exceptions until May 2, 2012.

Respectfully submitted,

s/Robert M. Weaver
